Meeting Highlights:

Timestamps are approximate minute marks on the recordings

00:30 David Demian

- Welcome to the Global Family.
- This is about the prophetic and apostolic voices in the nation sharing their hearts together to see what the Holy Spirit is saying.
- Amos 3:7, 8 – what is the Holy Spirit saying to His servants the prophets? The lion has roared....
- We are facing shakings in the world, but we are not shaken; God is with us. God is in charge and He is in the midst of the shaking.
- He taught us to pray “Your Kingdom come; Your will be done on earth as it is in heaven”. Sometimes His Kingdom cannot come unless through the shaking.

9:44 David Demian

- Introduces Lou Engle and invites him to pray

10:11 Lou Engle

- Senses that heaven and earth is convening at this moment to touch the whole globe.
- The Judge of all nations, Father, we call upon You for divine understanding and wisdom. Preside over this great assembly; stretch forth Your rod; You rule over the nations. You call us to stand in Your very courts to speak Your words out to the earth. Open the heavens for the harvest, like it’s never been seen. God of history, we join You in united praise.

12:57 Time of worship led by Tabitha & Caleb

26:15 David Demian

- How great is our God! There is none like You! In the midst of all that is happening in the nations, there is a place of authority where the King and His people - the Lord is taking charge!
- In Hong Kong last year, we met with the Chinese Family. The theme of the Gathering was “Oneness”.
- 2020 is the year where the Holy Spirit will release His Body as One. The Lord used the Chinese from China, Taiwan, Hong Kong, Macau, Overseas Chinese. All the Chinese have paid a high price to come into oneness, and the enemy hates it.

- Rick Ridings released a powerful prophetic word during this Hong Kong Gathering, but we didn't know what the Holy Spirit was going to do. The prophetic word was related to all the nations.

29:25 Video Clip of Rick Ridings' Prophetic Word Released in HK in July 2019

- The Lord is in control in the midst of the shakings.
- The Lord will separate the light from darkness – this is what He is doing in Jerusalem and in His church throughout the earth.
- Fish & Bread – fish represents people who will come to the Lord; bread represents signs and miracles. We bring the baskets to the Lord and He gives us larger baskets.
- The Lord is saying, “Do not be afraid of the chaos in the times of the shakings! Through these shakings, I will bring forth My Kingdom!”

39:08 Rick Ridings

- Our Chinese Family, we are standing with you! When the Lord gave me that word, I felt the Lord say that the shakings would be very intense, then a calmer moment, and then a stronger intensity again – like the birth pangs of a woman giving birth.
- In HK, I felt the Lord say that over a period of time in HK, the intensity would calm down. Next, China would be shaken. When China is shaken, it would shake the government of China very much.
- In January, when I was in South Korea, I felt the Lord speak about a time of shaking.
- From mid- Jan to mid- Apr, shakings would begin in a very strong way in South and North Korea.
- 3 months from now are the elections in South Korea. In the 3 months before the elections, the Lord would allow shakings in both S. & N. Korea, to expose lies in government and media in N. & S. Korea
- Lightnings over Iran – shakings over Iran. The shakings are increasing at this time.
- In all of this, the Lord is saying, He will not allow things to spin out of control by Satan. There will be a time where the shakings seem less, and other times the shakings intensify.
- We need to allow the Lord to cleanse our hearts from all fear.
- In these next months, for China, Japan, North & South Korea, God is allowing these shakings to expose lies.
- Isaiah 28:14-18 – speaks to the rulers who made a covenant with death.
- Like the Temple Mount behind Succat Hallel right now - We are standing on the foundation stone of Jesus Himself – our sure foundation!
- The water of the Lord released during this time will expose lies and release justice.
- The agreement with death will be broken.
- The Lord will expose lies, covenants made with death and the light of the Lord will come through.
- The end of the shakings is the Kingdom of God, the release of the Global Harvest!
- We can pray for one another to strengthen one another until we see the release of the Kingdom of God!

46:00 David Demian

- Hebrews 12:26 – 29 “the voice of the Lord then shook the earth..... yet once more I shake not just the earth, but also the heavens...”
- 2 levels of shaking – shaking the earth and the heavens – the removal of things that can be shaken.
- There is an emerging Kingdom that needs to manifest on earth as it is in heaven.
- “The Finger of God” (magicians used this expression to Pharaoh in the time of Moses; Jesus said this in the NT) will not only shake the systems of the world, but also the unseen powers in the heavenly realm for the veil to be removed. Like Jesus prayed in John 17 – that the veil be removed and people will recognise that Messiah has come.

51:25 Hao Xin (Ruth) from China (Jess Translates)

- Rick’s prophecy moves me. From Wuhan, the epicentre of this global outbreak, I send greetings. Exactly like what Rick had prophesied, there have been waves of shakings, like birth pangs here in Wuhan.
- The Lord has been shaking all that can be shaken – whether in our lives or things in our nation.
- From personal experience, there was fear, because it felt like death was so near. There was a sense of helplessness, because medical treatments were not an option. I was personally shaken. Thanks to the Global Family and wider Chinese Family for your unceasing prayer for us. We made it through without perishing because of the prayers of the saints.
- Update on Wuhan: Since the beginning, there have been daily changes. The lockdown on Wuhan has been effective in containment of the virus. Within China, the virus has not exploded to other cities, so the threat has been contained within Wuhan. The Chinese government has been shaken deeply because of this. At every level and arena, the reactions to the virus was initially chaotic, but it’s settling down. The Lord is using this situation to train our nation.
- More importantly, our Family in China has risen up and we are increasingly coming into alignment with God’s heart. We have been praying together, and the Lord has turned our eyes from the threat of the virus towards Him.
- It has been a challenge to steer our focus away from the virus threat unto the Lord, but we are thankful we are learning to humble ourselves and be broken before God.
- Personally, I have come to know God better and to understand myself better. In the past, we had a transactional understanding of God – “if I do this, then God will do that.” But in this situation, we recognise we can’t do anything, except to cry out to God for help.
- “Lord, have mercy” is our only prayer. We have come to be dependent on God.
- According to what Rick shared in his prophecy, there is an ease to sharing the Gospel, especially to those who are panicking.
- We are taking daily communion, and even many non-believing family members end up wanting to believe in Jesus and be baptised!

1:06:10 David Demian

- We have broken through fear. We welcome the Chinese Family to the Global Family, to release what they have learned through the pain. What the enemy intended for evil, you have turned it into a breakthrough. We pray for the government of China to be open at this time.

- Pls pray. The Koreans will meet together - unless the government cancels it, we will be together.
- They will go ahead and whoever comes from the Global family will be a blessing.
